Petition to Ban Fire Pits in Mission Beach

<u>Petition Background:</u> The fire pits in Mission Beach are negatively impacting the health and safety of Mission Beach residents and visitors and are magnets for illegal activities. On November 12, 2014, the Mission Beach Town Council (MBTC) passed a resolution banning all public, commercial and private fire pits from Mission Beach. A Position Paper issued by the MBTC in November 2014 explains in detail the reasons the ban is needed. A copy of this Position Paper can be found at www.MissionBeachTC.org in the Publications tab.

Action Petitioned for: We, the undersigned, support banning the fire pits in Mission Beach.
