

Fire Pits November 2014

Does the Mission Beach Town Council support efforts to ban all fire pits from Mission Beach including City-owned fire pits, fire pit rentals and private fire pits? Mission Beach is defined as the beach and bay side of the Mission Beach peninsula paralleling Mission Blvd. from Pacific Beach Blvd. to and including the south jetty area. Since this item was discussed in detail at the October meeting, Scott invited members from both sides of the issues to present brief statements. Following a discussion, a motion was made and seconded to vote on this item. The measure carried with a vote of 25 for and 14 against.
