

### **Mini-Dorm Resolution – November 11, 2015**

The Mission Beach Town Council believes that any City and/or Mission Beach PDO requirements for mini-dorms and fraternity/sorority houses are of no use without a strong enforcement effort. Therefore, the Mission Beach Town Council supports the establishment of a permitting process for mini-dorms and fraternity/sorority houses, including an ultimate penalty of permit revocation for mini-dorm and fraternity/sorority house owners and agents who violate or whose renters or tenants violate the terms specified in the permit requirements. The Town Council understands that such a permitting process will take effort to create, and offers its full support and assistance to all efforts to establish such a process.

The motion carried unanimously.
